Thank you , Tom. March 20th is too distant in time to wait for a further description of a subset of 25 documents you have logged for privilege. These issues have been outstanding for a very long time and we have been very patient. We will contact Mr. Alonzo per Judge Jones' advice, or file our motion this Wednesday, March 14, if these issues remain unresolved.
Have a good remainder of your weekend,

Lynn E. Swanson

We propose to get you a revised privilege log by Tuesday, March 20 (which will give me time to have input into it once I get back from vacation). If you still want to get before the court after reviewing the revised log, we propose that the issue be carved out of the stay – in other words, that you be allowed to file a non-emergency motion on the privilege log, notwithstanding that the other aspects of the case have been stayed.
